Dear Parishioners,

Some good news! A few months ago, we applied to the National Lottery for another grant to improve the heating in the Hall and provide proper heating in the porch. The existing three heaters in the hall would be replaced by two new energy efficient heaters and a third gas heater will be installed in the porch, so we can provide proper heating in the porch during the winter months. The new heaters should be a bit quieter than the old ones. The most expensive part of this will be getting a gas supply brought through to the porch and the full cost of everything comes to £9,184.00. **The Lottery has awarded us a grant for the full amount, so it hasn't cost the parish anything.**

Work is going on at the moment. We will need to do a bit of plastering and some repainting which will be done soon and the company who did such a great job on restoring our floor last year will come back and restore those areas of the floor which were covered up by the old heaters.

May God bless you all,

*Fr. Tony.*

**LiveSimply Prayer**

Compassionate and loving God, you created the world for us all to share, a world of beauty and plenty. Create in us a desire to live simply, so that our lives may reflect your generosity. Creator God, you gave us responsibility for the earth, a world of riches and delight. Create in us a desire to live sustainably, so that those who follow after us may enjoy the fruits of your creation. God of peace and justice, you give us the capacity to change, to bring about a world that mirrors your wisdom. Create in us a desire to act in solidarity, so that the pillars of injustice crumble and those now crushed are set free. Amen.
